between**

**Fondation Nationale des Sciences Politiques  
Et  
L'Institut d'Etudes Politiques de Paris**

**and  
Fundación Guatefuturo**

La Fondation Nationale des Sciences Politiques et l'Institut d'Etudes Politiques de Paris (hereafter referred to as Sciences Po) and Fundación Guatefuturo both have an interest in strengthening bilateral co-operation in the field of education between Guatemala and France, and enhancing the links between Sciences Po and its academic counterparts in Guatemala. An important means of fostering such co-operation and links is the provision of loan-scholarship opportunities to talented Guatemalan students wishing to pursue master and doctoral degrees at Sciences Po. The purpose of this agreement is to provide shared financing for Guatemalan graduate students at Sciences Po, within the framework of a joint graduate loan-scholarship program.

The joint graduate loan-scholarship program will operate as follows:

1. Students in Guatemala interested in the program will seek their admission, following the normal application procedures, and meeting all the standard admission requirements established by Sciences Po, including all English and French language requirements.
2. Students unconditionally accepted by Sciences Po will submit a loan-scholarship application to Guatefuturo, following the normal application procedures, and meeting all the standard requirements established by Guatefuturo.
3. Students who are offered a place for full-time study in Sciences Po, and who are selected for a loan-scholarship by Guatefuturo, will then be eligible for shared financing under this agreement.
4. Sciences Po will provide a scholarship of 10% off the tuition to all eligible students admitted to a two-year master degree or a doctoral degree.
5. Guatefuturo will provide the remainder of the tuition and fees, as well as a stipend for living expenses, according to its established norms, i.e. up to US\$25,000 per year for a maximum of two years. Students will have to provide from other sources any further amount required to meet the full costs of their programme of study.
6. Each institution will designate a named coordinator to implement and monitor the programme. In particular, named coordinators will be responsible for ensuring:

- a) That Sciences Po provides Guatefuturo with all relevant promotional material and prospectuses in order to encourage interest in its programs in Guatemala.
- b) That Sciences Po provides all Guatemalan students unconditionally accepted in Sciences Po with information about the loan-scholarship program and encourages them to contact and submit an application to Guatefuturo.
- c) That Guatefuturo forwards details of the selected students to Sciences Po.
- d) That the necessary financial arrangements are made for confirmed students.

The named coordinators are:

For Sciences Po:  
Francis Vérillaud  
Vice-President of Sciences Po

For Guatefuturo:  
Marta Barrera de Donis  
Directora de Programas

- 7. Both institutions will publicise the agreement to prospective Guatemalan graduate students.

This agreement shall remain in force from the date of signature by the undersigned representatives of each party and may be reviewed or renegotiated at the request of either party. Either party may terminate the agreement on thirty days written notice to the other party.
