Dear Juan,

Curtin would like to acknowledge that Curtin University and Fundacion Guatefuturo have duly signed the standard Curtin Sponsorship Agreement in October 2024. As Fundacion has already completed the standard agreement, Curtin is subsequently able to consider and implement a sponsor discount (tuition fee reduction) outside of the terms of the agreement.

The purpose of this letter is to provide the details of the tuition fee reduction that Curtin is happy to provide to the Guatemalan citizens who are granted a Fundacion Guatefuturo Scholarship-Loan to study at Curtin University.

The details of the tuition fee reduction:

Study level: Masters, PhD

Fields of study: all areas

Tuition Fee Reduction: 25% (course duration)

Curtin Faculties: Science & Engineering, Humanities, Health Science, Business & Law.

At the Curtin acceptance of offer stage, the Scholarship-Loan recipients will need to provide a Letter of Financial Guarantee from Fundacion Guatefuturo.

If any of the Scholarship-Loan recipients have any queries, they can contact: issu@curtin.edu.au

OR visit our website showing the details of this arrangement at:

We look forward to welcoming the Fundacion Guatefuturo students to Curtin University!

Yours Sincerely,

Mr Nigel de Silva
Director, Global Partnerships
