

Collaborative Agreement

between

Culinary Arts Academy Switzerland and Fundación Guatefuturo

Culinary Arts Academy Switzerland (CAAS), an institution part of Swiss Education Group and Fundación Guatefuturo both have an interest in strengthening bilateral co-operation in the field of education between Guatemala and Switzerland and enhancing the links between CAAS and its academic counterparts in Guatemala. An important means of fostering such co-operation and links is the provision of loan-scholarship opportunities to talented Guatemalan students wishing to pursue graduate degree programs at CAAS. The purpose of this agreement is to provide shared financing for Guatemalan students at CAAS, within the framework of a joint graduate loan-scholarship program.

The joint graduate loan-scholarship program will operate as follows:

1. Students in Guatemala interested in the program will seek their admission, following the normal application procedures, and meeting all the standard admission requirements established by CAAS, including all English language requirements.
2. Students unconditionally accepted by CAAS will submit a loan-scholarship application to Guatefuturo, following the normal application procedures, and meeting all the standard requirements established by Guatefuturo.
3. Students who are offered a place for full-time study in CAAS, and who are selected for a loan-scholarship by Guatefuturo, will then be eligible for shared financing under this agreement.
4. CAAS will provide a scholarship of 15% off the tuition to all eligible students. Additional merit-based scholarships may be awarded on individual basis.
5. Guatefuturo will provide the remainder of the tuition and fees, as well as a stipend for living expenses, according to its established norms, i.e. up to US\$25,000 per year for a maximum of two years. Students will have to provide from other sources any further amount required to meet the full costs of their programme of study.
6. Each institution will designate a named coordinator to implement and monitor the programme. In particular, named coordinators will be responsible for ensuring:
 - a) That CAAS provides Guatefuturo with all relevant promotional material and prospectuses in order to encourage interest in its programs in Guatemala.

- b) That CAAS provides all Guatemalan students unconditionally accepted in CAAS with information about the loan-scholarship program and encourages them to contact and submit an application to Guatefuturo.
- c) That Guatefuturo forwards details of the selected students to CAAS.
- d) That the necessary financial arrangements are made for confirmed students.

The named coordinators are:
